

Seminar Series

Fall 2016

CEE 292: EWRE Graduate Program Seminar

All seminars are on Tuesdays from 3:00 to 4:00 pm unless listed otherwise
Nelson Auditorium, 112 Anderson Hall, Tufts University, Medford campus

NOTE: This is an archived list. Current faculty profiles can be viewed at
<https://engineering.tufts.edu/cee/people/faculty>

September 6, 2016	Graduate Program Seminar overview <i>Natalie Capiro, Research Assistant Professor, Tufts University</i>
September 13, 2016	Research Overview <i>University Professor Linda M. Abriola, Tufts University</i>
September 20, 2016	Writing a paper for publication <i>Danielle Lantagne, Assistant Professor, Tufts University</i>
September 27, 2016	Metal Bank — Superfund Case Study: Relationships Matter <i>Joe Vitale, Principal Consultant at ENVIRON, Environmental Consulting for Private and Public Sector Clients: Environmental Site Assessment, Remediation, Due Diligence, and Environmental Risk Management</i>
October 4, 2016	Engineering the Drinking Water Microbiome <i>Ameet Pinto, Assistant Professor, Civil & Environmental Engineering, Northeastern University</i>
October 11, 2016	Using Passive Sampling at Contaminated Sediment Sites to Evaluate PCB Sources <i>Philip M. Gschwend, MIT Ford Professor of Civil and Environmental Engineering, Director, Ralph M. Parsons Laboratory for Environmental Science and Engineering</i>
October 18, 2016	Topic TBA <i>Associate Professors Andrew Ramsburg and Wayne Chudyk, and Professor Steven Chapra, Tufts University</i>
October 25, 2016	Careers in Environmental Engineering Consulting <i>Peter Zeeb, Geosyntec, Senior Principal Hydrogeologist</i>
November 1, 2016	Biodegradation of the Emerging Contaminant, Triclosan <i>Kung-Hui (Bella) Chu, Texas A&M University, Associate Professor, Division Head, Environmental & Water Resources Engineering</i>
November 8, 2016	Topic TBA <i>BME Seminar</i>

November 14, 2016 MONDAY	AEESP presentation at Northeastern University <i>Menachem (Meny) Elimelech, Yale University, Roberto C. Goizueta Professor of Chemical & Environmental Engineering</i>
November 22, 2016	Topic TBA <i>Chad D. Vecitis, Harvard University, Associate Professor of Environmental Engineering</i>
November 29, 2016	Topic TBA <i>Yannis Orfanos, Research Associate, Harvard Graduate School of Design</i>
December 6, 2015	Student Presentations
