

Colloquia

Archives: Spring 2018

Department of Electrical and Computer Engineering Colloquia: Tufts University

Halligan Hall, Fridays from 1:45pm to 2:45pm (refreshments at 1:35pm), unless otherwise noted.

All seminars are open to the public. Our seminars are a great opportunity to see the results of exciting new research by faculty, students, or other institutions, or just to get a sense of what the ECE Department is all about. For comments or questions, or if you would like to receive email notifications of upcoming colloquia, please [send us an email](#).
